

## **Biography**

**Professor Zhe Chen** received the B.Eng. and M.Sc. degrees all in Electrical Engineering from Northeast China Institute of Electric Power Engineering, Jilin City, China, MPhil in Power Electronic, from Staffordshire University, England and the Ph.D. degree in Power and Control, from University of Durham, England.

Dr Chen is a full Professor with the Department of Energy Technology, Aalborg University, Denmark. He is the leader of Wind Power System Research program at the Department of Energy Technology, Aalborg University and the Danish Principle Investigator for Wind Energy of Sino-Danish Centre for Education and Research.

His research areas are power systems, power electronics and electric machines; and his main current research interests are wind energy and modern power systems. He has led many research projects and has more than 400 publications in his technical field.

Professor Chen is an Editor of the IEEE Transactions on Power Systems, an Associate Editor of the IEEE Transactions on Power Electronics, a Fellow of the Institution of Engineering and Technology (London), and a Chartered Engineer in the U.K.
